PATCHOGUE-MEDFORD SCHOOLS

PROCEDURES FOR WORKING PAPERS FOR STUDENTS AGED 14-17

Minors must apply for an employment certificate or permit on a form prescribed by the Commissioner of Education. Before issuing a certificate or permit the applicant must present the following:

- •Evidence of Age This must be a birth certificate or a duly certificate transcript of a record of baptism giving the date of birth. A passport showing the date of birth is acceptable as is any evidence on school records which has been in existence for two years or more. An affidavit of age is not acceptable.
- •Parental Signature The parent or guardian must sign all applications for an employment certificate or permit. The minor is responsible for securing this signature. When the application is for the first certificate for fall-time work, the parent must appear personally at the school or issuing center to sign the application, unless the minor is a high school graduate.
- •Certificate of Physical Fitness The applicant must present a certificate of physical fitness from a school or private physician. The school district must provide the physical examination if the applicant so requests. The annual school examination, the examination given for sports, or any other complete physical examination is acceptable for employment purposes. In any case, the physical examination must have been given within twelve (12) months prior to the issuance of the employment certificate or permit. EXCEPTION: A physical fitness certificate is not required for the issuance of a Newspaper Carrier Permit if the applicant is qualified to participate in the school's physical education program. If the applicant is not qualified to so participate, a physician's permission is required.
- •Pledge of Employment The Pledge of Employment, which appears only on the Application for Employment Certificate (not on the Application for Employment Permit), must be completed only (a) for a minor with a medical limitation and (b) for a minor 16 years of age who is leaving school, prior to high school graduation, and who resides in a district (New York City and Buffalo) which requires a minor under 17 years of age, who is not employed, to attend school.
- •School Record On the Application for Employment Certificate, the Schooling Record <u>must be</u> completed only for minors residing in New York City or Buffalo.

GENERAL INFORMATION

An employment Certificate (Student Nonfactory, Student General, or Full Time) may be used for an unlimited number of successive job placements in lawful employment permitted by the particular type of certificate.

A Nonfactory Employment Certificate is valid for 2 years from the date of issuance or until the student turns 16 years old, with the exception of a Limited Employment Certificate. A Limited Employment Certificate is valid for a maximum of 6 months unless the limitation noted by the physician is permanent, then the certificate will remain valid until the minor changes job. It may be accepted only by the employer indicated on the certificate.

A new Certificate of Physical Fitness is required when applying for a different type of employment certificate, if more than 12 months have elapsed since the previous physical for employment.

An employer shall retain the certificate on file for the duration of the minor's employment. Upon termination of employment, or expiration of the employment certificate's period of validity, the certificate shall be returned to the minor. A certificate may be revoked by school district authorities for cause.

A minor employed as a Newspaper Carrier, Street Trades Worker, Farmworker, or Child Model, must obtain the Special Occupational Permit required.

A minor 14 years of age and over may be employed as a caddy, babysitter, or in casual employment consisting of yard work and household chores when not required to attend school. Employment certification for such employment is not mandatory.

An employer of a minor in an occupation which does not require employment certification should request a Certificate of Age.
