Dear Parents and Guardians:

Now that the SEL Universal Screener has been completed, you can access your child's outcomes. As a reminder, the universal screener provides information about a student's current functioning levels, including areas of strength and emotional behavioral concerns. This brief rating scale is not a comprehensive diagnostic measure for classification of difficulties or disorders.

Students answered items about themselves in grades 3rd-12th. Teachers answered items about individual students in grades Pre-k through 5th.

Directions on where to find your child's Universal Screener (SSIS) outcome can be located here: [Instructions for Viewing Student Documents on the Parent Portal \(pmschools.org\)](https://pmschools.org/instructions-for-viewing-student-documents-on-the-parent-portal)

To assist with understanding the results, please visit below:

Estimado Padre o Guardián:

Ahora que se ha completado el SEL Universal Screener, puede acceder a los resultados de su hijo. Como recordatorio, el evaluador universal proporciona información sobre los niveles de funcionamiento actuales de un estudiante, incluidas áreas de fortaleza y preocupaciones de comportamiento emocional. Esta breve escala de calificación no es una medida de diagnóstico integral para la clasificación de dificultades o trastornos.

Los estudiantes respondieron preguntas sobre ellos mismos en los grados 3.º a 12.º. Los maestros respondieron preguntas sobre estudiantes individuales desde preescolar hasta quinto grado.

Las instrucciones sobre dónde encontrar el resultado del Examen Universal (SSIS) de su hijo se pueden encontrar aquí: [Instructions for Viewing Student Documents on the Parent Portal \(pmschools.org\)](https://pmschools.org/instructions-for-viewing-student-documents-on-the-parent-portal)

Para ayudar a comprender los resultados, visite a continuación:
